**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic customer and having a local ISP provide fiber is amazing. Please do not do anything that prevents innovation and instead I urge you to continue to support broadband competition. In San Francisco having options helps keep a healthy market and drive innovation. Thank you for your consideration in hearing my request to support competition.
